and now, **as we get a lot more people parking downtown on sundays** [YAY !!!], the problem is worse
[1] they pay the meters - or they stress out about 'do we or don't we' have to pay ?

[2] they are very concerned about the '"2 hours"

if this problem takes 'months' to solve [or if just never gets around to being solved] > or most likely it gets 'diminished' as 'not a problem' ... well gee golly

Questions in general: How is someone parking at a meter [or non-meter 2-hour zone] supposed to determine:
[a] no payment on sunday, 2 hours not enforced on sunday
[b] no payment after 6pm ever

Q: Who do we want Downtown San Pedro?
Q: Who gets suckered or stressed by this situation?

A: NEW People = answer to both

Q: Who gets hurt by this situation?
A: Everyone
-- except _____

Q: How important is it ?
A: What are your thoughts on that ?
I have my own opinion, which might not be the same as yours.

Thanks for anything you can do about this.
